# CORPORATE WELLBEING PROGRAM

Enhance Workplace Wellbeing through  
Mindful Movement and Wellness Treatments

# ABOUT BE EARTH

Founded in 2019 as a Central yoga studio, Be Earth has evolved into a premier holistic wellness destination. Driven by community passion, we have strategically expanded to meet growing needs.

In 2025, we unveiled a new Wellness Floor, formally establishing our two core divisions: [Yoga & Movement](#) (featuring reformer pilates and dynamic mindful practices) and [Wellness & Longevity](#) (focusing on state-of-the-art equipment targeted to anti-aging, integrated face & body, and performance recovery).

## MEDIA FEATURING

## Class Options Include:

- **De-stress yoga** - De-stress yoga encourages the release of pent-up stress and promotes a state of relaxation, helping individuals return to their tasks with renewed clarity and focus.
- **Sound healing** - Sound healing utilizes the vibrational qualities of sound—such as singing bowls, gongs, or tuning forks—to promote physical and mental well-being.
- **Breathwork** - Breathwork can help reduce stress, and improve mental clarity and focus.
- **Meditation** - Meditation is a practice that involves focusing the mind to achieve a mentally clear and emotionally calm state.

### **ENHANCES BRAIN FUNCTIONALITY AND INCREASES CREATIVITY**

Yoga helps clear mental clutter and promotes mental flexibility, encouraging new ideas and creative solutions to challenges.

### **HAPPIER, HEALTHIER EMPLOYEES**

More engaged and productive, leading to better performance and results for the organization.

### **FOSTERS A MORE POSITIVE WORK MINDSET**

Practicing yoga can enhance emotional resilience, leading to a more optimistic outlook among employees. This positivity can strengthen teamwork and collaboration.

### **IMPROVES MORALE**

Implementing yoga in the workplace shows employees that their well-being is valued, leading to increased job satisfaction and loyalty.

Be Earth Wellness offers an integrated approach to holistic well-being, combining advanced science with ancient healing traditions.

Our sanctuary features a diverse range of face, body, and wellness treatments—from cutting-edge cryotherapy and ultrasound rejuvenation to traditional facials, meridian massages, and energy healing with crystals and sound.

Whether seeking skin revitalization, pain relief, body contouring, or deep relaxation, each service is designed to harmonize the mind, body, and spirit.

With additional wellness diagnostics, IV therapies, and innovative recovery technologies, we provide a complete, personalized path to radiant health and inner balance.

## ***State-of-the-Art Technology***

### **Hyperbaric Oxygen Chamber (HBOT)**

Enhance employee healing and boost immune function through intense pure oxygen therapy, leading to increased energy levels and improved overall wellbeing at work.

### **CRYO Chamber**

Implement brief, targeted cold exposure to help reduce inflammation and speed up muscle recovery, revitalizing employees' bodies and minds, enhancing their performance and productivity.

### **Rebalance Impulse**

Utilize neuroscience-based neuro-stimulation to combat chronic stress, improve sleep quality, and enhance mental clarity, fostering a focused and resilient workforce.

### **Svenson Chair**

Incorporate magnetic stimulation to strengthen pelvic floor and core muscles, improving stability and support for the lower back, contributing to employee comfort and productivity in the office.
